COMMUNITY AGREEMENTS

Take Care of Yourself

For example... Let us know if you need mental, emotional, or physical support, including if you are hungry or having transportation issues. If you ever need a break for self-care, take it! Don't drive under the influence of drugs and/or alcohol. If you are sexually active, be safe! If you have questions or need help, please ask us.

Take Care of Others

For example... Connect with new people by silencing and putting away technology. Respect other people's space, privacy, and belongings. Also respect other people's pronouns. Never "out" youth, staff or volunteers and don't gossip. If you are having a conflict with someone or if someone is in trouble, let us know so we can help.

Take Care of this Center

For example... Clean up after yourself and give yourself enough time to help with the chore-list before you leave. Help make the center ready for the next day by leaving it in better shape than you found it (this includes the parking lot!).

Oasis is...

- A drug, alcohol, and weapons free zone
- A youth-adult partnership
- An inclusive and safe space for being who you are and for individual growth
- An active community that requires your highest level of participation

What Oasis IS NOT:

- A place to make verbal or physical threats or to act violently toward others
- A place to use offensive language and/or act in ways that targets another person or group's identity including race, sexual orientation, gender, etc..
- A place to engage in sexual contact or to use as a dating site
- A place to date underage youth
- A place to bring allies, parents, or other inappropriate guests during drop-in hours*

I have read these agreements and understand that following them is part of maintaining Oasis membership. I agree to do my best to hold myself and other Oasis members accountable to these agreements both at Oasis and Oasis-related events and understand that I may be asked to leave Oasis for a period of time if I am found breaking these agreements.
